FOREWORD

The Class of 1966 can look back over their four years in high school at many memorable events. This yearbook contains the lighter, brighter memories. It is like a silhouette, the nicer events standing out and the lesser ones, shadows, fading in the background. We have tried to recapture a little of everything, for each individual remembers something different. Only by recalling the past can we know what we want from the future.

"I might have been rich if I'd wanted the gold
instead of the friendships I've made.
I might have had fame if I'd sought for renown
in the hours when I purposely played.
Now I'm standing today on the far edge of
life, and I'm just looking backward to see
What I've done with the years and the days that
were mine, and all that has happened to me."

— Dedication —

To you, Mr. Arthur L. Welcome, we, the Class of 1966, dedicate "The Echo." As the first class to have completed four full years in the new Lee High School, we hope that you can relive with pride some of the memories captured in this book. To you, who have been instrumental in giving to our community this fine new institution of learning, we offer our deepest gratitude; to you who are embarking, as we are, on a new life, we offer our best wishes for every happiness and good fortune.

"To the teacher is committed a most important work -- a work which he should not enter without careful and thorough preparation. He should feel the sacredness of his calling and give himself to it with zeal and devotion. The more of true knowledge a teacher has, the better will be his work. The schoolroom is no place for surface work. No teacher who is satisfied with superficial knowledge will attain a high degree of efficiency." -- E.G. White

Certainly, Lee High School is endowed with many devoted teachers; our administrators have seen to this. As a result of their constant effort to provide a faculty of highest caliber, sixty to seventy percent of the Class of 1966 will seek further education.

ORA B. FANNING: English III, IV, Senior Class Advisor.

With four years of English as a requirement for graduation and with college emphasis on the quality of this subject, Lee High School must have a capable staff of instructors in this field. We feel that under the guidance of these qualified teachers our preparation has been completed.

SOCIAL STUDIES: As an added incentive in their course of study, one of the history classes taught by Mrs. McIntyre, took a field trip to the Clark Art Institute in Williamstown. The trip was termed "immensely successful", and more are planned for the future. We are indebted to the fine teachers in this department for giving us a wider knowledge of past and current world affairs.

LANGUAGES: To the staff of this department has been added a new teacher, Mrs. Margaret Ehle, who teaches both French and Latin. With a proposal of extending the French program to four years, it is necessary to accommodate the increasing number of students who wish to enroll in this course.

Labs contribute greatly to knowledge.

In all science courses labs contribute greatly to the student's knowledge. Lee High is greatly enriched with a fine teaching staff in this field. Math courses are aligned with the particular science courses so that the student may benefit even more from his studies.

All Are Active in Math, Science

With the addition of more teachers come new courses. An experimental course in Freshman Science was begun this year. The students have no text books — just lab manuals. The results seem very promising.

Many students volunteer to assist the science faculty in various ways.

Contentment

With some students piling off buses and others plodding up the sidewalk, the school day begins in a friendly fashion. By the time the second bell rings, students must take their places in homeroom to be accounted for. Having heard the daily announcements, pupils disperse to take part in various activities. After forty minutes, the school settles down into the routine of a normal day, interrupted only by two lunch periods.

Occasionally the routine is broken up by assemblies on different subjects, geared to the interests of the students, or by pep rallies in support of important athletic contests.

It is often said, "Familiarity breeds contempt." How we will miss the experiments in science laboratories, oral practice in the language laboratory, the clicking of typewriters, the spicy aromas emanating from the household arts room, the friendly buzz of the saws in the wood shop, and the many moods of L.H.S.

The Wildcat —

the G-r-r-reatest Newspaper

The "Wildcat staff," cooperating with their advisor, Mrs. Walker, and the co-editors, Roland Besaw and Vicki Sanders, printed five excellent issues. Both faculty and students acclaimed the issues to be the best ever put out at Lee High. Many thanks are extended to Diane Heath, the printer, and to Mr. Zukowski and his staff for their generous assistance and guidance in times of need.

The candids on this page, while humorous, seem to comment upon the various aspects of the newspaper business.

PHOTO-VISUAL AIDS:

Again this year, Lee High is fortunate in having a Photo-Visual Aids Club. The five boys in the club operate the movie projectors and phonographs for the various classes. Among their duties is keeping all machines in good repair.

PHOTOGRAPHY CLUB:

As an addition to the extra-curricular activities is the newly formed Photography Club. Elected as officers for its first year were William Vigeant, President, and Susan Cabral, Secretary-Treasurer. The first project was to take pictures of the school which will be hung in the corridors and later given to Mr. Gerlach.

Majorettes

Led by Drum Majorette, Susan DiSimoni, and Captain Susan Cabral, the eleven majorettes performed complicated twirling routines to the delight of the crowds at two home football games last fall. Their maneuvers were prepared by Mrs. R. Boynton, an experienced twirler, and were practiced under her guidance. The girls also took part in the annual Memorial Day parades in both Tyngham and Lee.

We hope that the future years will be as successful for the majorettes as this one has been.

This year, under the direction of Mrs. Emma Gray, the sixty-nine members of the chorus took part in the annual Christmas and spring concerts. Pianist for the group was Miss Nancy Kraszeski.

For the first time in several years a Boys' Chorus has been formed, also by Mrs. Gray. Accompanied on guitars by Lawrence Piekos and Roland Besaw, Donald Crandall was soloist. Although having only eight members, it has shown its ability by its fine performances.

The Backers of the Team . . .

With the seventeen cheerleaders, both varsity and junior varsity, the Pep Club, under the direction of Mrs. Andre Coderre, lent its rousing support to the football and basketball teams. The girls also cheered at several pep rallies held before important games.

In a further effort to promote friendly relations between schools, the

Lee High cheerleaders invited the cheering squads of several Southern Berkshire Basketball League teams to supper at our school before their respective Friday night games. Because these gatherings were a success, it is hoped that the practice will be continued in the future.

Art Club — Many Students, Many Labors,

The field trip to the Clark Art Institute was the highlight of the 1964-1965 year.

Under the excellent guidance of Mrs. Violet Broughall, the art classes had a very successful year. The students were free to work in any field, ranging from water colors to mosaics. Some girls found fashion designing an interesting project. A few students with creative talent and a knack for using vivid colors enjoyed making abstracts and modernistic drawings. Other areas such as weaving, pastels, and jewelry making were available to the students.

Wildcats Capture

Lee High opened what was to be the most successful season in eleven years against Mt. Greylock Regional of Williamstown. On the opening kickoff, Jim Bartini raced 85 yards for the first score of the season. With Bartini tallying three more times and Shaun Kelly and Dave Dewkett also adding scores, together with the stout Lee defense, Lee romped over Greylock 38-0.

Lee High's next foe was Ware High of Ware. Again Bartini starred. With little time left in the first period, the flashy back scampered around the end for the first touchdown. In the second period Dewkett went in for the last score. Again the Lee defense did another outstanding job. The final score was 16-0.

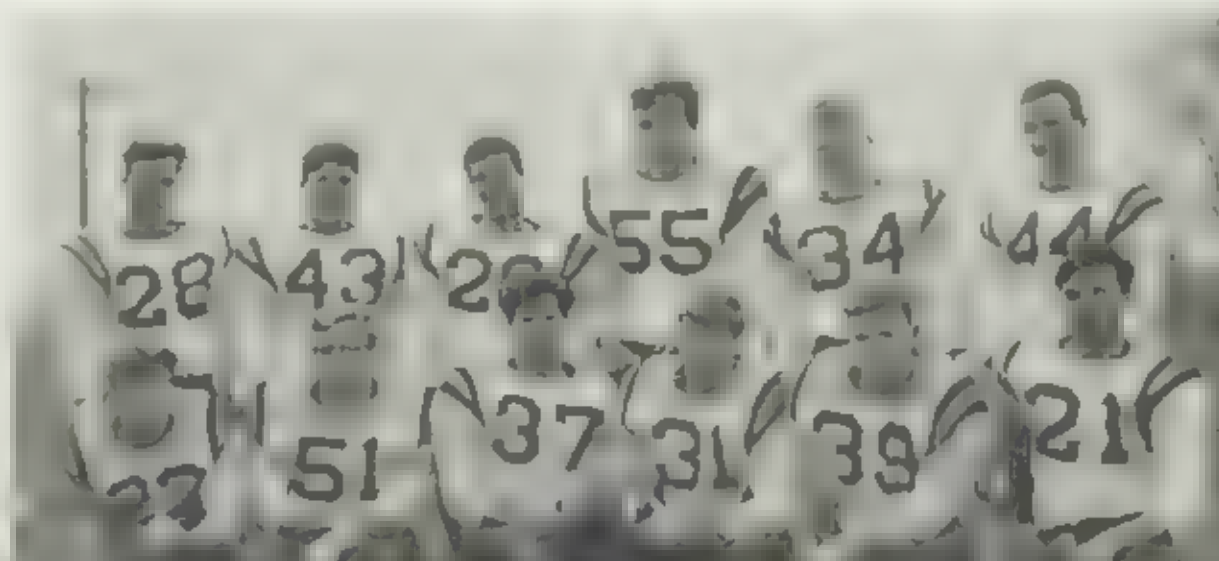

Lee took over sole possession of first place by walloping Mahar Regional 22-8. Junior quarterback Don Lucy led the Wildcats against the defending champs. On the third series of downs, Lucy faded back and hit Pete Salinetti with a 37 yard pass for the 6 points. The second score came on a sweep option play. Lefty Dave Brown spotted Blache in the end zone and hit him for the score. Dewkett tallied the other 6 points. Scored upon for the first time, the defense, led by Miller, Whalen, Skowron, Cadenelli, and Kelly, held the Mahar team to a scant 8 points.

Senior Jim Bartini led the Wildcats to their fourth straight triumph over Frontier Regional of South Deerfield by scoring 4 T.D. 's. Although tied at half time, Lee came out fired up for the second half. With Bartini going across twice and the defense proving invulnerable, Lee went on to a 28-14 victory.

Pioneer proved to be no match for the powerful team. For the second time this season Bartini scored four touchdowns. Dewkett set up Bart's second T.D. The other scores came on two pass receptions by Salinetti and an end sweep by Lucy. The final score saw Lee on top 51-6.

The 27-0 score in Lee's next encounter was somewhat misleading in that Lee had its hands full most of the time. Although Bartini was stopped, Lee had too many other guns to be defeated. Shaun Kelly ran through the holes opened by Curley, Viner, and Fulton for considerable gains and one touchdown. Also Lucy passed for two scores and Brown hit Blache on another end option play.

Wildcats on the Move

Lee clinched the Inter-County League Title by defeating Amherst 20-6, extending their winning streak to seven straight games. Defense marked most of the first half with Whalen and Cadenelli constantly in Amherst's backfield. In the closing minutes of the first half, halfback Brown hit Blache in the end zone for the first score of the game. The second half saw Lee tally twice more, and the defense held the opposition to six points, to bring Lee the hard fought conference title.

Under the superb coaching of Coach Consolati, Lee defeated Amherst in a 20-6 massacre of arch rival Searles. As the score indicates, Lee completely outplayed the Mustangs. Senior Pete Salinetti grabbed four touchdown passes to lead the Wildcats to victory. Jim Bartini also ran his season total to 126 points, a high in Western Massachusetts. Playing their finale for the Orange and Black were J. Bartini, P. Salinetti, D. Brown, S. Cadenelli, S. Kelly, L. Miller, D. Blache, D. Whalen, J. Scarafoni, D. Pavoni, B. Fulton, and F. Viner.

Lee Takes Fourth

Robert Coakley, Head Coach; Thomas Cinella, Ass't Coach.

Under the supervision of Coach Coakley, Lee began its conquest of another S.B.L. title. Having five veterans to work with, Coach Coakley started to build a team. At the beginning of the season, the starting lineup consisted of four seniors and one junior -- Captain, Jim Bartini, Shaun Kelly, Len Miller, Dave Brown, and Don Lucy.

Lee High opened its '66 cage season against Wahconah Regional of Dalton. After a slow start Wahconah pulled away to hand Lee its first defeat, 67-55.

Lee High evened its mark at one and one by dealing Drury a 65-58 loss. With Lenny Miller tossing in 21 points and pulling down 19 rebounds, Drury was never able to catch up. Also reaching double figures were Bartini and Brown.

Meeting St. Joe's of North Adams for the first time, Lee was unable to get anything going. After a slow start, the Gaels had acquired a five point lead at half-time. The third period saw St. Joe using a styming defense which Lee could not penetrate. The final score was Lee down 62-39.

Lee's first home game was against Dalton. Lee fought hard to gain a 50-49 win to avenging its first loss. Lee scored 18 points and Len Miller controlling the boards. Lee went on to a hard fought victory.

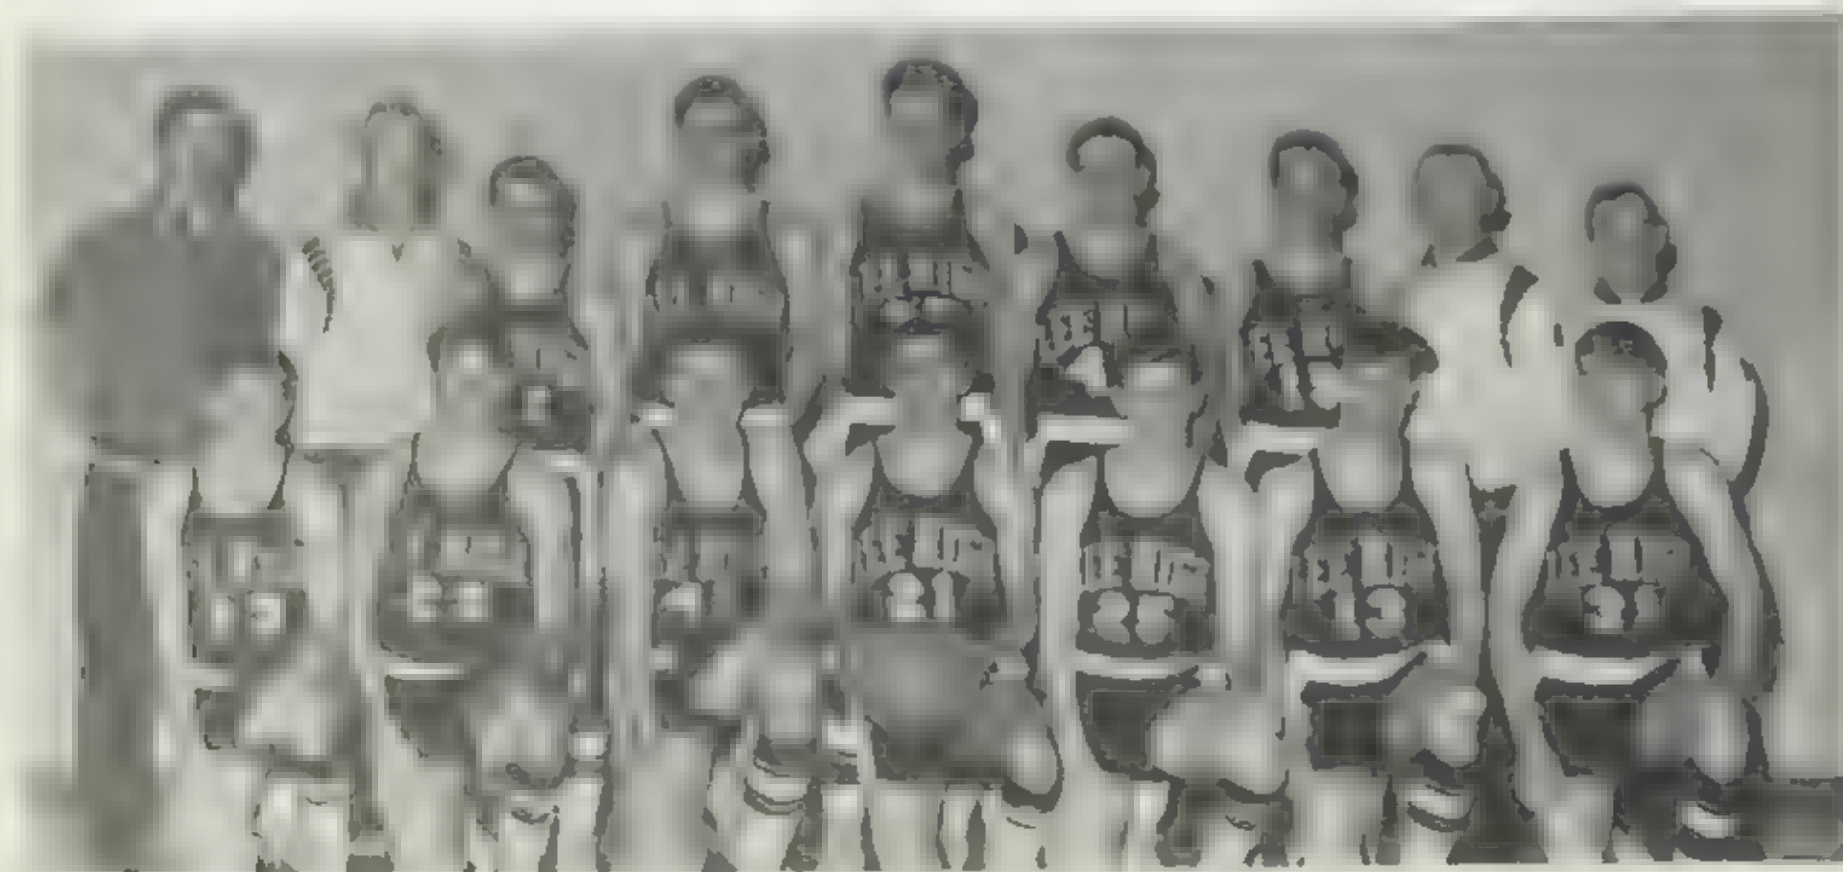

Lee's Wildcats dealt St. Joe's of North Adams its first defeat of the season by whipping the Gaels 53-48. The game was close all the way with the Wildcats finally going ahead in the fourth quarter. Kelly and Brown shared scoring honors with 11 points a piece.

With ten players Lee easily defeated Mt. Greylock for the second time in the season. Senior Len Miller topped the team with 19 points and Jim Bartini, Don Lucy, and Dave Brown each had 12 points. Again the final score was a lopsided hopper, 71-35.

Straight S.B.L. Title

The Wildcats extended their record to 6 wins and 3 losses by defeating Classical High of Springfield 50-42. After being close in the first half, Lee broke loose in the third period and was ahead 35-22. Len Miller led the attack with 17 points, followed by Don Lucy with 11.

Opening their defense of the Southern Berkshire League crown, Lee met Lenox High. Out-rebounding and out-shooting the Millionaires, Lee led all the way. Leading the team were Len Miller and Don Lucy with 30 and 21 rebounds respectively. Dave Brown led the scoring with 16 points. The final score was 52-41.

In their second league encounter Lee met Chester High. With a 25-9 lead after the first period of play, Coach Coakley substituted freely. Juniors Don Lucy and Rich Barbini led the scoring with 14 and 13 points respectively. Again Lee wound up on top 82-63.

In their third league encounter, Lee played a hustling game which proved to be too much for the opponent Searles to handle. Once again senior Len Miller proved to be one of the vital factors by scoring 22 big points. Sharpshooting Dave Brown also threw in 20 points. The final score was 74-44.

Taking on a determined Mt. Everett team, Lee showed its polished defense in winning 69-58. After a slow start Lee came alive, and tied the score at the end of the first quarter. They then built a lead which they never lost. High scorer was Don Lucy with 17 points.

Although keeping it close all the way, Lee was unable to keep pace with Classical in the final period. Leading by only one point at the end of three periods of play, Classical swiftly pulled away. High man for Lee was Jim Bartini with 12 points. At game's end, Lee was behind 59-45.

Lee wound up the first half of the Southern Berkshire League schedule with an 82-46 victory over Williams to stay undefeated in league action. After trailing most of the first half, Lee came out fired up for the remaining half. With Don Lucy leading the way with 16 points, the Wildcats went on to an easy victory.

All Make for Great Season

In their second meeting with Lenox High, Lee met a determined team. After starting off slowly, Lee was able to pull ahead and lead by 16 at halftime. But Lenox never gave up and closed the gap to a scant eight points. Lee wound out on top of the 69-51 score. Big man for Lee was Dave Brown with 21 points. Other high contributors to the total were Jim Bartini with 20 and Lenny Miller with 17 points.

Lee ran its Southern Berkshire League to seven straight wins by downing Chester 73-36. With ten players scoring, Coach Coakley was able to sit back and relax.

Lee High clinched its fourth consecutive S.B.L. title with a 68-49 drubbing of Searles. For the fourth time in as many years, Coach Coakley led the team to a very successful S.B.L. campaign.

Coming from behind in the second quarter, Lee finally put down Mt. Everett 66-60. Reserve, Tom McDarby, led the way with 18 points. The win was Lee's 9th straight in the league competition.

Lee finished their League slate unblemished with a 68-29 victory over Williams. Having already clinched the title, Lee was just practicing for their meeting with Drury High in the county playoffs.

COUNTY PLAYOFF

Lee High's next contest was the first of three county playoffs. In the first game Drury lived up to being the favorite in defeating Lee 51-42. In the second game, reserve, Tom McDarby, sank a basket with 14 seconds left to give Lee the second game and a 1-1 tie. Probably the most exciting game of the year was the third County playoff game. Lee built up a commanding lead in the final period only to see Drury come back and go ahead with two seconds left and take the series of games to one.

Lee's final major competition of the season was the Western Mass. tournament at Springfield. Its foe Cathedral, held a tremendous height advantage. This proved to be the major factor in their 71-57 beating of Lee.

JUNIOR VARSITY: KNEELING: J. Wall, P. Fontana, F. Ciullo, J. Serra, K. Toomey, B. Cadenelli, R. Broderick, W. Walker. **STANDING:** Coach T. Cinella, A. Roy, R. Stratton, H. Reynolds, R. Salice, M. Buker, A. Kraszeski.

Coach Bob Coakley and Captain Jim Bartini.

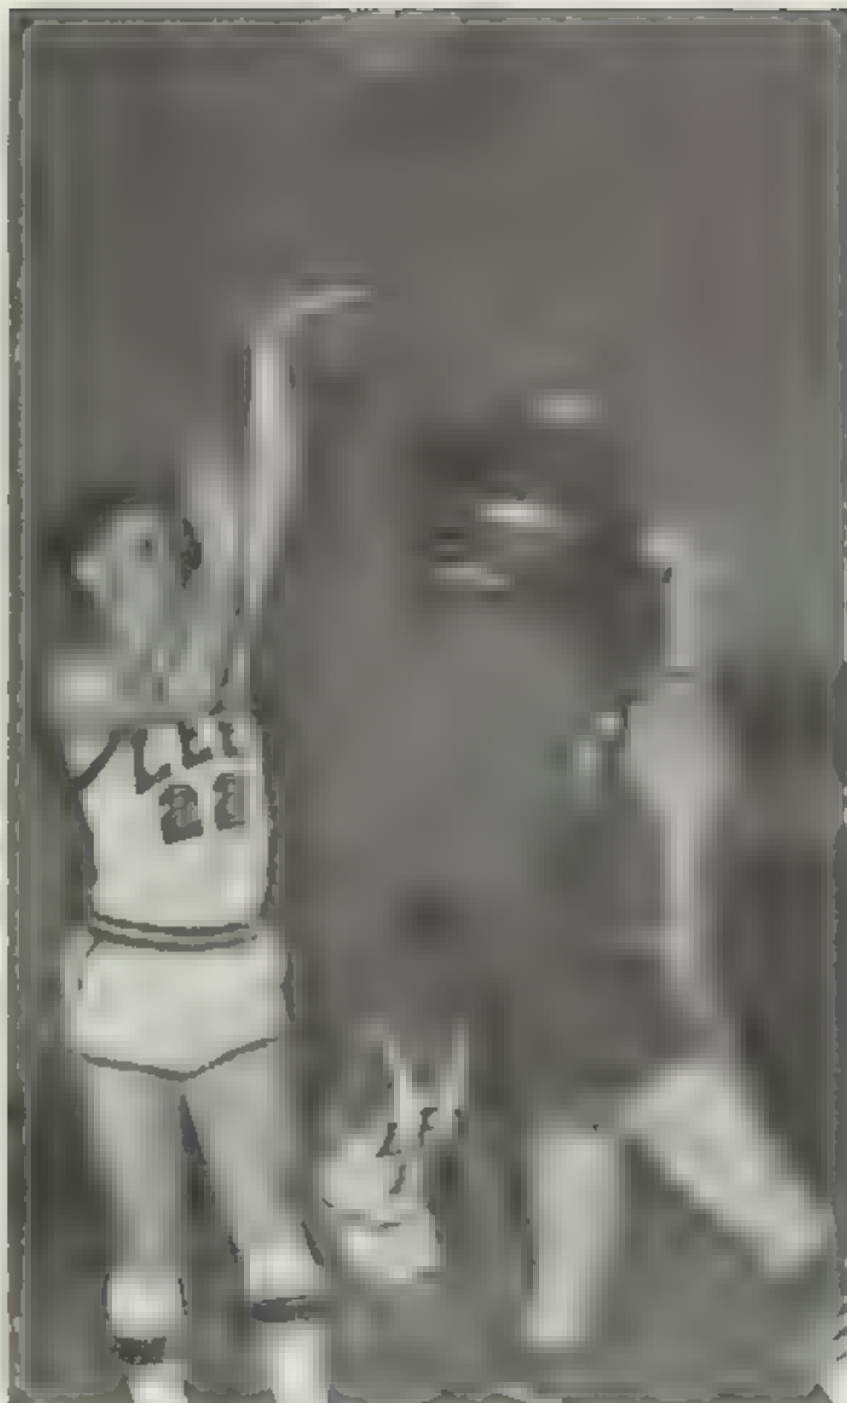

Junior Varsity:

Under the direction of Coach Cinella the J. V.'s had a very successful season in compiling a 16 and 1 record. Playing the preliminary to most of the varsity games, the boys showed that Lee shall have a good basketball team in the forthcoming years. We, the Senior Class, extend our best wishes to Coach Cinella and his future junior varsity teams.

After two years the Wildcats finally brought the Southern Berkshire League championship back to Lee. Having a seemingly inexperienced team, Lee took the field with an ambition and desire to win. After having a 2-3 exhibition schedule, Lee went into the S.B.L. ready to go against Chester. Chester showed a will to win but finally was repulsed 4-3. In the rival games with Lenox, Lee defeated the Millionaires in both games 4-1 and 10-6. The Wildcats split with Williams, losing a heartbreaker 5-4 but winning the second game 7-6. Searles, as usual, gave Lee a hard time by defeating Lee in two games 5-3 and 5-4. Mt. Everett, losing to Lee 6-4 and 7-2, was never a threat to our team.

Our chance for the County crown seemed excellent, and we were ready to go. Both Pittsfield and Lee tore the ball off the ball. Pittsfield collected 18 hits and 15 runs using two pitchers, while Lee had 13 hits and nine runs, sending three pitchers to the mound.

'66 Prediction

Having lost only three starters, Lee appears to have a good chance of taking the Southern Berkshire crown again this year. Dave Dewkett, a junior catcher for the team, was the team's leading hitter last year and will be back this year. Peter Consolati, an All-Berkshire second team choice, will be at his outfield post. Jim Bartini, a senior, and capable hitter, is a good man with the glove and will be back again this year. Dave Blache, a little man with a big stick, completes the outfield. Dave Brown, an able hitter and first baseman, will also be back. Lee having lost only one pitcher, has two fine veterans back to play this year. Senior left-hander, Dick Pavoni throws a good curve and can be tough. Don Lucy, a junior right-hander, who was probably the fastest pitcher in Southern Berkshire last year, has developed a curve, and we are confident that he will have another good season. Because of last year's success, Pete Salenetti will be battling for a spot with the first nine. Coach Coakley can expect good performances from sophomores Dick Salice and Ed Morrison, and freshman John Walker.

Mr. Lucy with Captain T. McDarby.

Under the direction of Mr. Lucy the Golf Team brought another S.B.L. title to Lee High. With the superb playing of Terry Carty and Tom McDarby, Lee went undefeated in league play. In the county play-off Pittsfield proved to be too much for the Lee boys to conquer, thus leaving the county trophy at Pittsfield. In this match Terry Carty played his last round for the Wildcats.

In 1966 with a nucleus of five starters filling the first five positions Mr. Lucy is looking for a fine year. Junior Tom McDarby will captain this year's team. Joining him in the matches will be Rich Barbini, Larry Liss, Ed Rossi, and Steve Cadenelli. The sixth position will be shared between a number of boys.

Over One Hundred Strong — GAA

In 1963, the G.A.A. of Lee High School was formed by a selected group of girls under the leadership of Mrs. Moran. This group worked diligently to create a constitution which would be followed in future years. This year the organization has hit a grand total of over one hundred girls.

The enthusiasm of the girls and the co-operation of the local bowling alley created a month of enjoyable bowling for those who participated. Awards were presented to the four outstanding bowlers.

The girls have proved this organization to be the most outstanding offered at Lee High School.

Judy Consolati receives Best Athlete Award

At the annual G.A.A. banquet Judy Consolati, president, received the first annual award for outstanding achievement. Through her years in high school she acquired an overwhelming ability and knowledge which led her to receive the Best Athlete Award for the year. She is now furthering her success in this field at Northern Michigan University.

G.A.A. Banquet, 1965

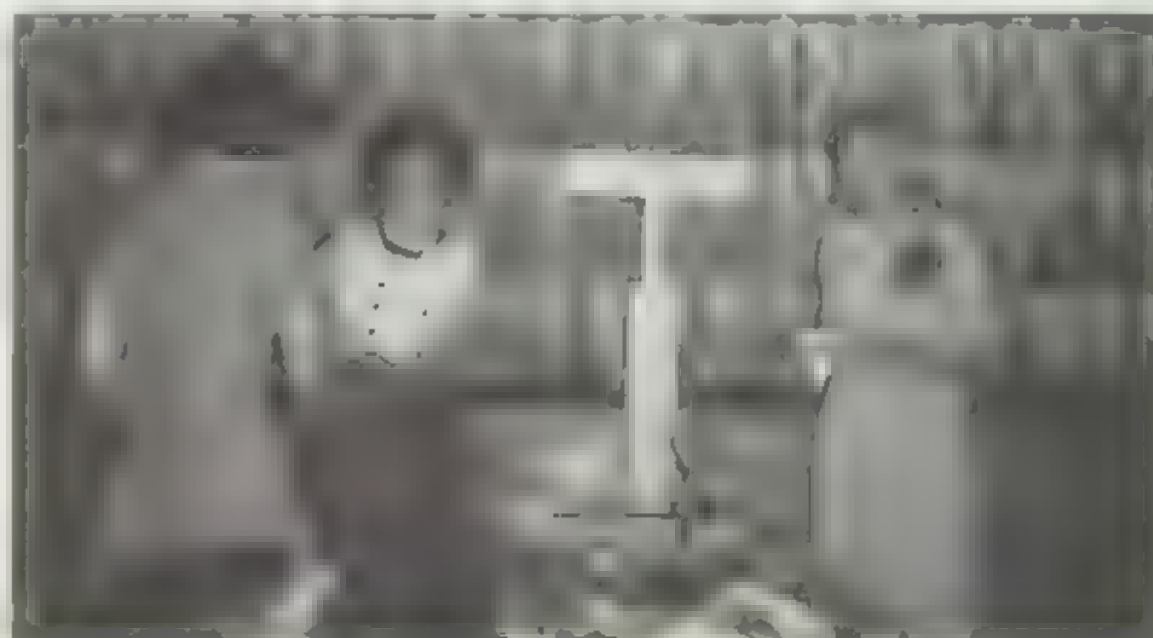

The annual Mother-Daughter Banquet sponsored by the Girls' Athletic Association was held for the second consecutive year. Each girl worked hard to obtain a numerous amount of points to receive various awards.

At this time a plaque was presented to Lee High School from the Girls' Athletic Association on which each year the name of the best athlete would be inscribed.

As a finale to this occasion several Freshman girls portrayed a duplicate silhouette which was formerly performed by a group at Springfield College representing the Olympic Games.

Approximately 30 girls went out for field hockey this year. Many were veterans of the game and others showed their newly acquired interests. A colleague of Miss Ludlow's attended an after school practice giving pointers for a successful game.

On October 26, the Lee High team journeyed to Foxhollow for their only game of the season. Both Varsity and Jr. Varsity were beaten, but when L.H.S. girls begged Miss Ludlow to play Foxhollow again, she knew that it wasn't just winning or losing that counted.

As the weather grew colder, the girls took to indoor sports. First on the agenda was volleyball. Between beginners and old pros, ninety girls exhibited their talents for the vigorous games, which were managed by Peggy Smith. Afterschool-intramurals proved to be quite exciting. Every team wanted to have the honor of being the champs. As this favored sport ended, the seniors remained the only undefeated team.

Basketball

Many girls from all classes went out for basketball this year. Intramurals were held after school two nights a week when the different teams battled for a victory. This year's senior team was not so victorious as last years'. A junior team, captained by Sally Dunn, took the honors.

The varsity team showed their better skills by defeating Lenox High School twice. Adams downed Lee on our own court. A return game was played at Adams. The junior varsity kept up with their big sisters by also defeating Lenox twice.

C. Piekos and M. Longo -- Managers

Following the 1966 Gymnastic Show, the girls looked forward to their favorite outdoor sport, softball, which was managed jointly by Mary Ann Longo and Claudia Piekos. A large number of girls participated from each class. Every team battled for the top, but the Seniors came out victorious. When softball intramurals came to a close, Varsity practice began. After several weeks of drilling, the girls were ready to play Foxhollow School. Both the Varsity and Junior Varsity were victorious over Foxhollow.

For approximately two months, forty-four students practiced after school on various gymnastic apparatus. A few girls rehearsed creative dance routines. The skill and hard work of these talented boys and girls paid off in the second annual Gym Show held in May.

The Backbone of a Class —

The Advisor, Officers

SEATED: P. Salinetti, President; Mrs. Ora B. Fanning, Class Advisor; B. Rurak, Secretary. STANDING: M. Bufis, Vice-President; F. Viner, Treasurer.

We, the class of 1966, as we cast our salutes upon these corridors for the last time, begin to remember the fun we had as a class. Let us recall a few of these high lights.

On September 5, 1962, we went down in the history of Lee High, as being the first freshman class at the new building. Our social functions began with a brightening, but gay Freshman Party. In late October we chose our first class officers. Elected were Peter Salinetti, President; Tony Scapin, Vice-President; Mary Lee Puleri, Secretary; and James Bartini, Treasurer. Shortly thereafter we voted on such matters as class dues and fund raising ventures. Our first class party, a record hop in May, proved a **colossal success, and incidentally gave our treasury a boost.**

At the end of the Freshman year, we elected our officers for the Sophomore year. They were David Brown, President; Susan Di Simoni, Vice-President; Virginia Snow, Secretary; and James Bartini, Treasurer. The highlight of our Sophomore year was another successful record hop, this time featuring the popular disc jockey, Jay La Plante. It provided us with a tremendous evening of fun and more dollars in the bank.

Our Junior year, the most important thus far was headed by Peter Salinetti, President; David Brown, Vice-President; Barbara Rurak, Secretary; and James Bartini, Treasurer. We were excited all year from the moment we ordered our class rings in the fall until the Pro Merito list was announced Class Day. The best prom ever in the history of L.H.S., "The Castle of Dreams," we will never forget.

Again Peter Salinetti piloted us through our Senior year with Michael Bufis, Vice-President; Barbara Rurak, Secretary; and Frank Viner, Treasurer as the crew. What a busy year this has proved to be! First on the agenda was the Freshman Party for which the Alley Cats provided entertainment. More than three hundred had a swinging time. With Michael Brighenti leading up the "Echo" staff and needing all the members every day, we know what a job it is to publish a yearbook. But like everything else we've done, it is tops. Our thanks go to Mrs. Mac and Mr. Wilkey for their ever present help. At this point, as the yearbook goes to print, plans are being made for the annual year end events. We look forward to these commencement activities, both academic and social. The Class of 1966 has worked hard, accomplished much, and **loved every minute of its high school career.**

We would like to thank Mrs. Ora B. Fanning, our class advisor, for her unwavering support and guidance in making our many class projects successful.

Seniors Meet New Challenges;

School Days End.

We, the members of this graduating class, all look to the future with varying degrees of anticipation. Some already have ideas of what they want to get out of life; perhaps some others are not altogether certain. The individuals, however, are united in one ultimate goal; success. Whether it be material well-being or satisfaction in a richer, more profound sense, each person wants to leave his mark on the world. The future is a vast horizon which only he can shape; the past is already filled with irrevocable deeds and events. We hope that we might benefit from mistakes and improve our civilization for posterity.

'Tis well enough to brag and boast,
But men who usually do the most
Sit very still.
They're very conscious all the time
To-morrow they will have to climb
Another hill.
Nor all the little dreams come true
Make up for deeds they want to do.

.....

There is no conquest all complete;
No stopping place for human feet;
No final goal.
Onward and upward men ascend
And none of us shall see the end
Of glory's scroll.
But small and trivial is the past,
It is the future which is vast!"

Happy Endings Have to Begin Somewhere!

It's surprising how many "happy endings" have their beginnings in advance financial planning and saving; particularly so when it comes to the successful completion of an educational career.

To the Class of '66 our best wishes and heartiest congratulations and may we suggest that whatever your future plans, a program of regular savings started now will enable you to enjoy many a "happy ending" in the years to come.
